

Day Two

TODAYS TASK

Today's task is about getting you clear on WHO is going to buy your product.

Don't get too caught up in making this exercise perfect. It's just a fantasy client, you don't have to tell anyone. And remember this client profile is just for now, it's not forever.

This is one of the most important pieces of work you can do in your sales strategy. And it's also one of the places I find the most resistance from sales ambassadors.

The things that you resist the most are usually the things you need to do the most and always the things you feel better once they're done.
